Retail position at the first Jeni's store in Florida, member of a 4-5 person team, handled customer service in fast-paced work environment.

---

## ACTIVITIES

### Member of Design and Layout Teams - 2021 - present

Palmier Magazine

Created digital art and content for Tufts University's student-run cooking magazine. Worked on a team to design cohesive content for publishing in print and online.

### Member of Public Relations Team - 2021 - present

Tufts Women in Technology (WiT) Conference

Designed social media content, merchandise, and digital advertising material to promote the WiT Conference, an annual event that connects women and non-binary individuals in technology-related fields. Collaborated with a team to organize and maximize social media outreach for event.

### Leader of the "Get Loud! Break the Silence" Basketball Event - 2017-2020

Organized a service event held for 5 consecutive years to raise awareness for the fight against domestic violence. Maintained active social media presence, coordinated fundraising efforts, and collaborated with local non-profits to increase student and community participation.
